RWN	53.3 cm (21-inch) AMG Y-spoke light-alloy wheels aerodynamically optimised, painted in matt black and a rim flange with a high-sheen finish	•	•	€ 1.666,00

Please note: the smaller the cross-section of the tyres for a certain wheel size, the poorer the ride comfort will be on bad road surfaces

Tyre roar and suspension comfort deteriorate, and the risk of damaging the tyres and wheels when driving over obstacles increases.
