RZW	50.8 cm (20-inch) AMG 5-twin-spoke light-alloy wheels painted in black with a high-sheen finish	●	—	€ 357,00

Please note: the smaller the cross-section of the tyres for a certain wheel size, the poorer ride comfort will be on bad road surfaces
Tyre roar and suspension comfort deteriorate, and the risk of damaging the tyres and wheels when driving over obstacles increases.
