

TOYOTA

ALWAYS A  
BETTER WAY

THE NEW  
**TOYOTA GR SUPRA**  
FOR THE FEELING

TOYOTA  
**GR** *Supra*

**“The new Supra should be the flagship sports car of the Toyota brand and a front-runner of an era.”**

Tetsuya Tada – Chief Engineer

# THE LEGEND IS BACK

The new Supra evolved from Toyota, as a top-tier racing car in line with Supra’s motorsport-inspired pedigree. The chief engineer of the new Supra, Mr. Tada-san said that this car, will inherit the tradition built by the previous Supra and incorporate modern-day, state-of-the-art technology without compromise.

With a name that evokes power, performance and handling, the Supra defined a succession of world-class cars for over 20 years. One of Toyota’s most famous sports cars, the front engine/rear-wheel drive was Toyota’s most powerful production model. Today, 16 years after production ended, it still enjoys an iconic status among sports car aficionados.

Featuring a characterful in-line 6-cylinder front-engine, rear-wheel-drive layout, the New Supra not only revives the legacy of its past but promises to give drivers a truly thrilling sensation.

The New Supra has all the ingredients to stimulate your senses. At home on road or track, our high-performance sports car delivers 340 hp from its 3.0-litre turbocharged engine, for seamless power and instant response.

Influenced by the layout found in a single-seater racing car, the cockpit of the New Supra is designed to put the driver at the centre of the action. Adjustable side bolsters in the seats and thoughtful knee pads provide support when cornering hard, while a digital combi-meter and a Head-up Display (available only in Premium grade) displays speed, infotainment and navigation clearly in the driver’s eyeline.

- Bi-beam LED headlamps with dusk sensor
- Electrochromatic rear-view mirror
- 8.8" screen for information display

- Variable Gear Ratio System (VGRS) power steering
- Tyre Pressure Monitoring System (TPMS)
- Vehicle Stability Control (VSC)
- Front and Rear parking sensors
- Rain sensor
- Black Alcantara sport seats
- 19" black & silver forged alloys (5-double-spoke)

### Multimedia system with:

- 8.8" multimedia display
- Navigation system with Cyprus maps
- Rear-view camera display
- Bluetooth® hands-free system
- Voice recognition
- Audio system with 10 speakers

### Supra Safety+ features:

- Intelligent Adaptive Cruise Control
- Lane Departure Alert with Steering Control
- Pre-Collision System with Pedestrian and Cyclist Detection
- Rear Cross Traffic Alert (RCTA)
- Blind Spot Monitor (BSM)
- Road Sign Assist

## PREMIUM GRADE

(ADDITIONAL EQUIPMENT TO SPORT)

- Wireless mobile phone charger
- Head Up Display on windscreen
- Premium audio with 12 speakers and JBL sound system
- Black leather sport seats

## SPECIFICATIONS

		SUPRA 3.0
<b>ENGINE</b>		
Engine Code		8HP51
Transmission		8-speed Automatic Transmission
Displacement	cc	2998
Maximum output	bhp/rpm	340/6500
Maximum torque	Nm/rpm	500/4500
Number of cylinders		6 in line
<b>PERFORMANCE</b>		
Acceleration 0-100km/h	sec	4.3
Maximum Speed	km/h	250
<b>SUSPENSION</b>		
Front Suspension		Double-joint type MacPherson strut
Rear Suspension		Multi-link
<b>FUEL CONSUMPTION</b>		
Combined NEDC (WLTP)	l/100km	7.5 (8.2)
<b>CO<sub>2</sub> EMISSIONS</b>		
Combined NEDC (WLTP)	g/km	170 (188)
<b>WHEELS &amp; TYRES</b>		
Wheels		19" black & silver forged
Tyres		Front - 255/35R19   Rear - 275/35R19
<b>DIMENSIONS</b>		
Overall height	mm	1294
Overall length	mm	4379
Overall width	mm	1854
Wheelbase	mm	2470
