Unicars Ltd will not be liable for any damage or loss arising from any errors or omissions in the information contained in this pricelist or arising from the use of the information contained herein. Prices and equipment subject to change without notice.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO_2 emissions. WLTP replaces the previous NEDC test method.
The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO_2 emissions produced.
Data are subject to change without any notice
All prices are stated in euro (€) including 19% VAT, Registration and Road Tax.
